

MID MOD CONTEST!

JOIN US AS WE CELEBRATE

the one-year anniversary of my Rowan *Midwest Modern* fabric line and the launch of my new project CD with the *Electric Quilt Company* "Amy Butler Softwares". In honor of this celebration we are holding a studio contest. This is going to be fun!

There is only 1 rule - make a sewing project using my Midwest Modern fabric. Any sewing project of your choice. It could be one from my new EQ cd; one of my sewing patterns; one of your favorite sewing patterns; or an original project you've created - the possibilities are endless!

Please email a picture of your completed project featuring my Midwest Modern fabric to contest@amybutlerdesign.com. Contest entries will be accepted from June 1st through September 15th. I have created a flickr board to showcase all of your beautiful projects. Check out the flickr board at: www.flickr.com/groups/1131229@N23/

The top 10 winners will be announced in September and you'll receive a great prize - fat quarters of my Midwest Modern fabric, a signed copy of Amy Butler Softwares and a great selection of my newest sewing patterns.

Thanks for joining in, I can't wait to see what you create!

XOXO, Amy
